A word from AFS Headquarters

“Citing its commitment to the driving force of the organization—its membership—AFS is launching an initiative that will assist personal members in need during the year ahead. Beginning January 1, 2009 and continuing through the end of the calendar year, any active individual AFS member who loses his or her job due to staff reductions will be granted a complimentary membership extension of one year.”

Al Spada

Quote of The Month

In the business world, the rearview mirror is always clearer than the windshield.
